Acknowledgements

would like to dedicate this book to my late father, Rajput, whose values which I have absorbed are the most important force in my life. Further, I would like to dedicate this book to the most important person in my life, my beloved mother, who has bestowed upon me the strength and support in this academic endeavor. I would like to express my gratitude to Dr. Ashok Kumar Yadav, HOD of Department of English, J. J. Arts College, for his vital support, guidance and encouragement. Further I would like to thank all the teachers and scholars whose works I cited and referred in this book.

Grateful to my husband, Anurag for his deep love, moral support and ready to help in the preparation of this book.

I like to acknowledge with gratitude, the members of my family- my in-laws, Manoj Singh, my grandma, Shaivya Singh, my brother, Alok. They all kept me going, and they have been possible without them.

In a god for everything ...
